

# OLD FOREST SCHOOL

Formerly  
Rotoehu Forest School  
1933 - 1986

## Old Forest School Summer Picnic and Open Day

Sunday 7<sup>th</sup> March 2010

11am onwards

Bring a picnic lunch & a rug for your family

Old Forest School is having its first informal reunion since closing in 1986.

We warmly welcome former pupils, staff & their families back for a casual picnic on the school grounds.

The school had become very run down since closing & has been undergoing extensive renovations by our family since we purchased it two years ago. We still have a way to go but the school is definitely regaining its former glory. We have been delighted to have had so many visitors over the last couple of years who have encouraged us on what at times seemed daunting.

If you have any old photos or memorabilia you would like to see displayed on the day please contact us.

Please register your interest by 22<sup>nd</sup> February 2010.

Kindest regards  
Alistair & Su-an McMahon
